Stuart's work is an excellent overview of Australian history from the dreamtime to the present. He captures the major periods and events that shaped the progress of Australia towards federation and beyond, into the current malaise over national identity and the development of a unique and identifiable cultures.

'As one of a series of works of reference, concise national histories, the book is an interesting, often brilliant combination of new and conventional scholarship, of information, opinion and ideas.' Journal of Australian Colonial History '... a most impressive contribution to Australian historical literature'. Australian Book Review

A Concise History of Australia (Cambridge Concise ...

According to the author, Australian history is 200 years of racism, sexism, oppression, dominance, exploitation. The victims are aboriginal people, women, the early convicts -- and the environment. The villains, of course, are white males. When the Australian economy dips, the fault lies with the

U.S., world capitalism and neoliberalism.

8 A Concise History of Australia records going back to the early nineteenth century. It is probable that it has operated for much longer, and shaped the evolution of the Australian environment. The natural historians who marvel at the rich diversity of this singular environment find in it an ingenious anthropomorphism.

A Concise History of Australia

For a small, prosperous country in the middle of Europe, modern Austria has a very large and complex history, extending far beyond its current borders. In a gripping narrative supported by beautiful illustrations, Steven Beller traces the remarkable career of Austria from German borderland to successful Alpine republic.

Amazon.com: A Concise History of Austria (Cambridge ...

If you've got a bit of time to skim through Australian history this book is a good start. It doesn't delve into the specifics of war or the Stolen Generations but it provides a general and concise overview of the events that took place from the beginning of European settlement until 2004 (the edition I read is slightly dated).
