Anachronism And Its Others Sexuality

Anachronism and Its Others traces contemporary analogies between homosexuality and blackness to their nineteenth-century origins--particularly the notions of "primitivism" associated with people of color as promoted by scientific racism, and the characterization of homosexuality as "arrested development," according to sexologists. Valerie Rohy explores the linked tropes of backwardness and regression associated with race and sexuality in U.S. culture and included in literary works by Edgar ...

[ii] In other words, sexuality is a social construct and it is our job, as historians, to trace its genealogy--how experiences and conceptions of sex [iii] have changed over time. As French philosopher Michel Foucault argued in The History of Sexuality , sexuality has been framed by power dynamics that constitute "normal" and "abnormal" ...

Sexuality - The Inclusive Historian's Handbook

Yet as attitudes towards sex, gender and love continue to change, the brands that wish to reflect humanity in its fullest sense must keep up - or risk becoming an anachronism. Beech points out: "With any sort of new movement, there's going to be that crossover period, with relics of the old and beginnings of the new.
