Blood Trail on Steam

Okk- I decided to replay the old Bats game- again. When I try to follow the blood trail- firstly, when I selected mission, it didn't show me where to return- although, Mission itself shows several % complete- and secondly, when I DO find and follow it (thx to the large Map) - it (the Trail) stops at the top of Church of some sort, and I dunno where to go next, nothing Happens.
