Parts Store - 170F 178F 186F Diesel Engine Parts Generator Spare Parts . We only carry and sell high quality after market parts for generators. Parts and assembly quality control make huge difference in generator quality. Many parts, diesel motors and generator heads look the same, but you have no idea of what parts are installed inside.

Parts Store - 170F 178F 186F Diesel Engine Parts Generator ...

This is for a 178F Diesel Engine single pole Oil Pressure Sensor. This part can often be called an oil level sensor, oil pressure switch, or oil sensor. This part is a safety switch that reads the amount of oil that is inside the engine. If there is not enough oil in the engine this sensor will stop the engine from working.
