### Japans Financial Crisis Institutional Rigidity

The postponed response by Japanese authorities to the nation's banking crisis has had enormous political and economic consequences for Japan as well as for the rest of the world. This book helps us understand the nature of the Japanese government's response while also providing important insights into why Japan seems unable to get its financial system back on track 13 years later.

### Japans Financial Crisis Institutional Rigidity And ...

In the years leading up to the financial crisis, the researchers wrote, U.S. growth was fueled by a consumption boom from rapid housing price increases and rising debt levels. "In a broad sense, the U.S. economy before the crisis was similar to the Japanese or Spanish economies," noted Hoshi, adding that in Japan, the speculative investment boom in the late 1980s masked structural problems.

### Japan's financial crisis : institutional rigidity and ...

The Lost Decade or the Lost 10 Years (失われた十年, Ushinawareta Jūnen) was a period of economic stagnation in Japan from about 1991 to 2001, caused by the Japanese asset price bubble's collapse in late 1991. The term originally referred to the years from 1991 to 2000, but recently the decade from 2001 to 2010 is often included so that the whole period is referred to as the Lost Score ...
