Medical Review Officer Center More than 70 percent of large private employers require drug and alcohol testing. Mandatory alcohol and drug testing is also now required of all interstate truckers, commercial driver's license holders, and other transportation workers in joint government agreements.

Medical Review Officer Center | ACOEM

A Medical Review Officer (MRO) is a person who is a licensed physician and who is responsible for receiving and reviewing laboratory results generated by an employer's drug testing program and evaluating medical explanations for certain drug test results. As a MRO, you act as an independent and impartial "gatekeeper" and advocate for the accuracy and integrity of the drug testing process.
