### **United Turbine**

The engine must be removed from the wing and taken to an engine shop for inspection, whereas the hot section inspection on the PT6 can be done on wing, representing a relative cost saving. But they add this cost saving fails to make up for the high cost incurred from doing an engine overhaul every 4,000hr as opposed to

# Acces PDF Overhaul A Pt6 Engine

being able to wait to  
7,000hr.
