Portable USB Media Player - geekalerts.com

I used the slide show widget in Windows 7. Now I have windows 10. I want to have a small window (not full screen or background) slide show where the pictures show for about 30 seconds. The Windows Media Player seems to be the only software that allows me to make a small window slide show, but the picture timing is too short.

changing the timing of a slide show in Windows Media Player 12
